

RADIO GRANELLÌK

24-HOUR BROADCAST SCHEDULE • OFFICIAL GUIDE

Edition: October 2026 • 24/7 Global Live Stream • All broadcast times in Central European Time (CET / UTC+1)

Recognized in Google Search results and by Google AI as:
«The world's first web radio station powered entirely by Artificial Intelligence»

The Listener Experience: An uninterrupted 24/7 music flow featuring an exclusive catalogue of over **1,300 unreleased original tracks**, driven by an intelligent proprietary broadcast engine ensuring zero repetition, maximum variety, and fresh musical discovery at every tune-in. Zero commercial advertising • Spoken links every 2-3 songs.

DAILY BROADCAST APPOINTMENTS (THE 24-HOUR CLOCK)

** Smart Automation Flexibility & Timezone: All broadcast times are expressed in Central European Time (CET / UTC+1) and subject to a natural tolerance of a few minutes; the intelligent engine harmonizes show intros with the organic conclusion of songs on air, ensuring absolute continuity without abrupt fades.*

04:45	The Chronicler (4th Night Premiere)	Paola & Valeria	Fourth deep-night storytelling chapter leading into the dawn

THE EDITORIAL SECTIONS & THE ON-AIR TEAM

Every spoken segment on Radio Granellik is generated in real time by Artificial Intelligence personalities with defined psychological profiles, impeccable delivery, and rigorous editorial supervision.

THE MUSIC CHRONICLES: VINYL STORIES (Voice: Kore) On Air: 08:00 • 11:00 • 17:00 • 19:00 (CET) Hosted by Kore, editorial director and historic memory of the channel. With her signature opening («<i>The stylus running along the groove...</i>») and an aristocratic, cultured delivery, Kore takes listeners backstage through recording studio lore, forgotten rarities, and the genesis of legendary vinyl records, drawn directly from our comprehensive archives.
FRANCO'S COUNTER-NEWS (Voice: Franco) On Air: 07:00 • 09:30 • 13:00 • 15:30 • 20:00 • 21:30 • 23:45 (CET) The daily satirical briefing hosted by Franco with the solemn authority of a classic vintage anchorman and dry cynicism. Franco dissects light news, bizarre records, and modern social vanities under a microscope, offering an uncompromising and entertaining mirror to contemporary culture.
CHANTAL'S SELECTION (Voice: Chantal) On Air: 13:30 (Original) • 18:15 (Aperitif Commute) • 22:00 (Nocturnal Chic) (CET) The refined acoustic salon of Radio Granellik: Chantal welcomes listeners into an atmosphere of Rive Gauche Parisian velvet and aristocratic irony. In every edition, she curates three music gems woven by an emotional thread, crowning the chosen piece with her celebrated <i>Coup de Cœur</i>.
THE CHRONICLER: ENIGMAS & UNRESOLVED MYSTERIES (Voices: Paola & Valeria) On Air: 22:45 • 00:45 • 02:45 • 04:45 (Night Premieres) Day Replays: 11:45 • 14:15 • 16:15 • 20:45 (CET) Late-night investigative format hosted by Paola and Valeria. In calm, soothing, hypnotic tones, the investigative duo guides listeners into unsolved cold cases, historical enigmas, state secrets, and unexplained occurrences.
AI CREATORS SPOTLIGHT & NEW TALENTS (Core Programming Pillar) On Air: 10:30 • 14:30 • 17:30 • 20:30 • 21:15 (CET) Submissions: https://radiogranellik.it/invia-brano_en.html A merit-based, transparent, and non-profit platform open to independent music creators composing with generative AI suites (Suno, Udio). • Scheduled Airplay (10:30, 14:30, 17:30, 20:30 and 21:15 CET): Certified tracks are broadcast across five daily windows; if no new tracks are scheduled, standard programming resumes seamlessly. • Certification with Serial ID & Rotation: Every approved track receives an official digital certificate (<i>Bronze, Silver, Gold, Platinum, Diamond</i>). Airplay prioritizes acoustic excellence and artistic merit.
TELEGRAM BOT: LISTENER VOICE ON AIR (Listeners & Creators) On Air: Integrated directly into the broadcast flow upon editorial review Through the official Radio Granellik Telegram Bot, any listener or creator can submit audio messages or comments to be broadcast on air. Users can select their preferred day and hour, with all content vetted by intelligent moderation before broadcast.
GRANELLÌK QUIZ (AI Voices) On Air: 09:15 • 15:15 (CET) The on-air intelligence game: two AI voices present a <i>True or False?</i> trivia challenge drawn from science, history, or pop culture. Listeners have the duration of a song to reflect; when the music ends, the hosts return to reveal the answer and explanation.
DYNAMIC 24/7 BROADCAST HOSTS & ON-AIR PERSONALITIES Beyond scheduled shows, the continuous music flow is punctuated every 2-3 tracks by resident AI station personalities: • Bibi (24/7 Announcer): always on air day and night introducing freshly released musical tracks with contagious enthusiasm. • Granello & Cloe: the main live hosts, engaging in witty banter and spontaneous musings on songs and current trends. • Brother Granel: Prior of the Venerable Brotherhood of Grana, sharing pearls of monastic wisdom and spiritual calm. • Nina: the prodigy child scientist exposing adult hypocrisy by explaining complex sociological facts with disarming candor. • Granellik & Murfy the Cat: the cosmic wild card and the studio's feline sovereign, introducing aristocratic purrs and comic chaos.

HOW TO LISTEN WORLDWIDE — COMPREHENSIVE RECEPTION GUIDE

Radio Granellik is broadcast globally across all major radio directories, smart automotive systems, connected smart devices, and high-fidelity network streamers.

GLOBAL RADIO NETWORKS & DIRECTORIES
